

## ◉ BOMBAY BASSMENT ◉

With fun at the centre of everything they do, Bombay Bassment's music-making philosophy has seen few changes since 2010.

The Mumbai-based urban music act, which has two albums under its belt – 'Bombay Bassment' and 'Bombay Bassment X FUNC VIP', as well as the 'OK, Dance EP' has earned a reputation for its uninhibited live performances and playful energy that makes hip-shaking compelling.

The line-up today consists of Bobkat (Robert Omulo, MC), BassBarrett (Ruell Barretto, bass), Major C (Chandrashekhar Kunder, samples/percussion) and Jeremy D'Souza on Drums.

With billings at major festivals in India like the Bacardi NH7 Weekender, VH1 Supersonic, SulaFest, Ziro Music Festival, and Jaipur Literature Festival, Bombay Bassment became the 1st Indian Hip Hop act to play at the Glastonbury Festival in the UK in June 2016.

They won 'Converse: Original Band Hunt', as well as 'GOLD for Best Hip-Hop Group', 'SILVER for Best Hip-Hop Song', and 'BRONZE for Genre Bending Act', at the South Asian IndioGo Music Awards.

**"This is a band that's sure-footed and ready to, as cliched as it may sound, make it to the top."**
