- One of the stalwarts of the Indian Electronic Music scene, Gaurav Raina is best known for his role as one-half of India's biggest electronica pioneers, The Midival Punditz.

- Grain's music is an exploration into lyrical songwriting, gritty textures and deeper sounds with a universal accent and his collabs include Karsh Kale, Anoushka Shankar, Monica Dogra, Ankur Tewari, Brooklyn Shanti, Sid Basrur, Talia Bentson and Kavya Trehan.

- As a performance artist, he has shared the stage with many international names such as Alicia Keys, Anoushka Shankar, Zakir Hussain, Bill Laswell, Norah Jones & Usher.

- He's also composed background scores for Bollywood films including Dum Maro Dum, Karthik Calling Karthik, Don and Soundtrack and lent his music to Hollywood projects such as Closer (movie), 6 Feet Under (HBO), Prison Break (Fox) & Monsoon Wedding (movie).

**"What's evident through the album is that Raina's brought out the best of each of his collaborators, while staying true to himself as an artist, known to be comfortable exploring many different territories, yet certain with where he wants to go."**

- Red Bull Music

**"Nearly two decades into his career, Gaurav Raina has achieved nearly every form of success that a musician can hope for."**

- Rolling Stones
