SOUND

Please find below all our sound requirements:

A fully loaded PA system will be required. Please note SUBs are a must.
Digital sound mixing board will need to be discussed and approved by our sound engineer upon confirmation.

Aside from this the band requires:

- 6 x cordless Shure SM58 mics (no other make please)
- 6 x stereo in ear monitors along with the ear piece
- One stand for the iPad and an EP out for the iPad

LIGHTS

The band will require 6 profile spots. For the rest of the inventory this can be discussed as per your stage design.
