

OX7GEN

Hailing from the shores of Bombay city, OX7GEN is drummer Aditya Ashok's alter ego.

Ashok's love for Drum & Bass is no secret, but he brings a myriad of influences to OX7GEN's sound. Being a producer-DJ and a live drummer adds layers of versatility, levelling to a one of a kind dance floor experience.

7 years of extensive touring & several independent releases later, OX7GEN has become synonymous with drum & bass in the country, bringing his brand of melodic, ethereal and cutting edge electronica to every major festival in the subcontinent: right from the beaches of Goa's Sunburn & Supersonic festivals, to the hills of north India's Escape Festival as well as closing the Bacardi NH7 Weekender's Electronic stage for 3 years in a row, BASS Camp festival and many more. Over the year's he has supported drum & bass heavyweights such as London Elektriccity, Netsky, Dub Phizix, Alix Perez, Royalston, KOAN Sound, Concord Dawn & Nymfo.

With releases on Med School Music (UK), Noosphere (IND) and a few more aces up his sleeve, 2018 is shaping up to be a pivotal year in OX7GEN's journey.
